

MIDNIGHT EXPRESS

THE PASSION STARTS AT MIDNIGHT

“WE’RE JAMMIN’ AROUND HERE IN THE OPEN ATLANTIC WITH A MIDNIGHT EXPRESS 37 FULL CABIN IN WEATHER THAT’S GOT EVERYBODY ELSE SKUNKED...”

– Capt. Bill Pike, *Power & Motoryacht*, March 2007

When *Power and Motoryacht* tested Midnight Express, they discovered what the U.S. Customs Service, world-wide law enforcement agencies and more and more owners already know: You can't beat a legendary Midnight Express hull for speed, safety and all-weather dominance. With a smooth, quiet, level ride at top end speeds reaching 60-80 mph, cruising has just become a lot more fun. The Midnight Express 37 Full Cabin pictured here is the perfect family boat. A super wide 11' 6" beam allows for a spacious, airy, beautifully crafted cabin, and lots of deck room for sunning and fishing. Just a key turn is all you need to get underway because maintenance is as easy as an occasional hose down. Not a bad combination: The choice of the professionals for speed, endurance and rough water handling, together with the comfort, safety and luxury that's changing the way we think of cruising.
